Calendar Contest!

Do you want to be in our calendar?

During September and October, we are having a calendar contest! Choose one of your photos on Facebook, tag McReynolds Orthodontics in the photo and it will automatically post to our photos. This is all you have to do to enter your photo!

We will choose from the submitted photos and create a 2012 calendar featuring these photos.

The more patients there are in each picture, the better the chances of your photo being selected for the calendar.

Good luck!

Our iPad contest is over and the winner is...

Luke W. from the Starkville office! Thanks for the referrals Luke!

The importance of keeping appointments...

We realize that life sometimes gets in the way of orthodontic appointments and changes have to be made. However, our schedule stays solidly booked for after school appointments. It is difficult to reschedule these appointments in a timely manner and can often be several weeks before we can get you back in. This causes delays in your treatment and can often extend treatment time by several months.

Thank you for keeping this in mind!

Farewell Marquita!

Our beloved Orthodontic Assistant, Marquita is retiring from orthodontics! We wish her well in the future and hope that she enjoys spending time with her grandchildren! She will definitely be missed!

Good luck to all of our athletes this season! Remember to wear your mouthguards!!!
